

Dear Parent / Guardian:

Starting school is a very exciting time not only in the life of your child, but for you as their parent or guardian. It is our job at the School District of Sheboygan Falls to make this transition as smooth and positive as possible.

We have enclosed some required paperwork that needs to be completed prior to the child's first day of school. In addition to the completed paperwork, you will need to bring in your child's **ORIGINAL** birth certificate. This required procedure is in place to verify the child's age. Please complete the *Annotation of Birth Facts* form through line number 8. When you come in to register, school staff will verify the child's birth date from the original birth certificate to the *Annotation of Birth Facts*. (We are no longer allowed to make copies of birth certificates).

Please be assured that all information provided during the registration process will be handled with extreme caution and kept confidential.

If you have any questions, please feel free to contact any of the school offices for assistance.
