REQUESTED DATE TO BRING PET _____

(Please check date and time with teacher several days in advance.)

Parent Reminders:

You must personally bring and pick up your pet. Pets are not allowed on the bus.

Be sure your pet has a restraint - harness, collar and leash, cage or box.

Be sure the pet stays only long enough for show and tell - not for the entire school day.
Pets should NOT be on the playground during recess.

Be sure to communicate to the teacher whether the pet can be petted. Please do not bring a pet that has a tendency to bite.

Be sure to bring necessary equipment for cleaning up in case your pet has an accident. Pets do get overexcited.

If in doubt, please DO NOT BRING YOUR PET TO SCHOOL.

Our family pet usually demonstrates a friendly attitude toward people who are not family members, especially children. It has consistently displayed an even temperament. I realize that if my child is given permission to bring our family pet to school that I am legally responsible for any accident or damage that might occur.
